SATINE

We don't know what we'll be doing on Christmas Day, nor do we know what you guys will be doing, but Satine knows exactly what she's going to be getting up to! "My phone will be turned off and I am going to spend the whole day fucking my boyfriend, drinking wine and eating turkey," Satine told us. "I've got a pretty extensive collection of dildos and anal beads and I've given my man the challenge of making me cum with every single one of them!" And that, Satine, is why our readers can't get enough of you!"

MORGAN

Fancy playing a game of chess with Morgan? Think again! "I'm a bit of a whizz when it comes to board games and chess is one of my favourites, so I'll be having you in checkmate or surrendering in no time. I must say, I'm getting rather distracted with these larger-than-life chess pieces though. I mean, I'm tempted to slip one up inside my pussy and really get myself off, but that might get me in trouble." Hmmmm, we're thinking a naked game of Twister might be a bit more suited to our intellect, plus we'd love to see all of the positions you'll be getting yourself in to!

They don't come much cutter than 19-year-old Jenna, but don't let that sweet innocent look fool you! "When guys chat me up they always think that I must be a virgin because I look all cutesy. SUZIE

Mum of two Suzie is a big fan of cock! "Ever since I first tasted a dick in my mouth and felt my pussy and arse getting filled, I've been addicted. I can't get enough of it. I don't care what the guy I'm fucking looks like, as long as he's got a rock hard cock I'll take it all night long. This little monster is hungry and she wants feeding!"

It's not even as if Amber needs the lubrication. This 22-year-old is so bloody turned-on all the time! "I just love the decadent feel of being totally slippery, like a well-oiled sex tool! And I can always do with a bit more wet down there," she pants, as she exposes her swollen, shiny parts for our spellbound attention. "I like to get slammed all night if I can!"

AMBER

sex &
drugs &
sausage roll

They say strawberries don't taste like they used to – they're all farmed, boring varieties that taste like cardboard. All cover girl Nicola Kiss can say is: "Try tasting them out of a hot pussy – they're bloody lush!" We would have offered our cream as a delicious accompaniment to these three fruity tarts' summery feast but they seem to have enough for everyone. Damn. "Don't let that stop you!" chuckles Ashleigh. "We'll soon have polished this lot off and will want a second helping, you horny gits!"

3-WAY

EMMA

Just when you thought it was safe to put the Kleenex back in the bathroom... After knocking our socks off (and a few other items of clothing) as the boobalicious cover girl from Escort magazine a while back, Essex stunner Emma is back and hornier than ever. "I got so many compliments being on the cover of Escort, but none as big as being asked back by you guys to get you all horny again!"

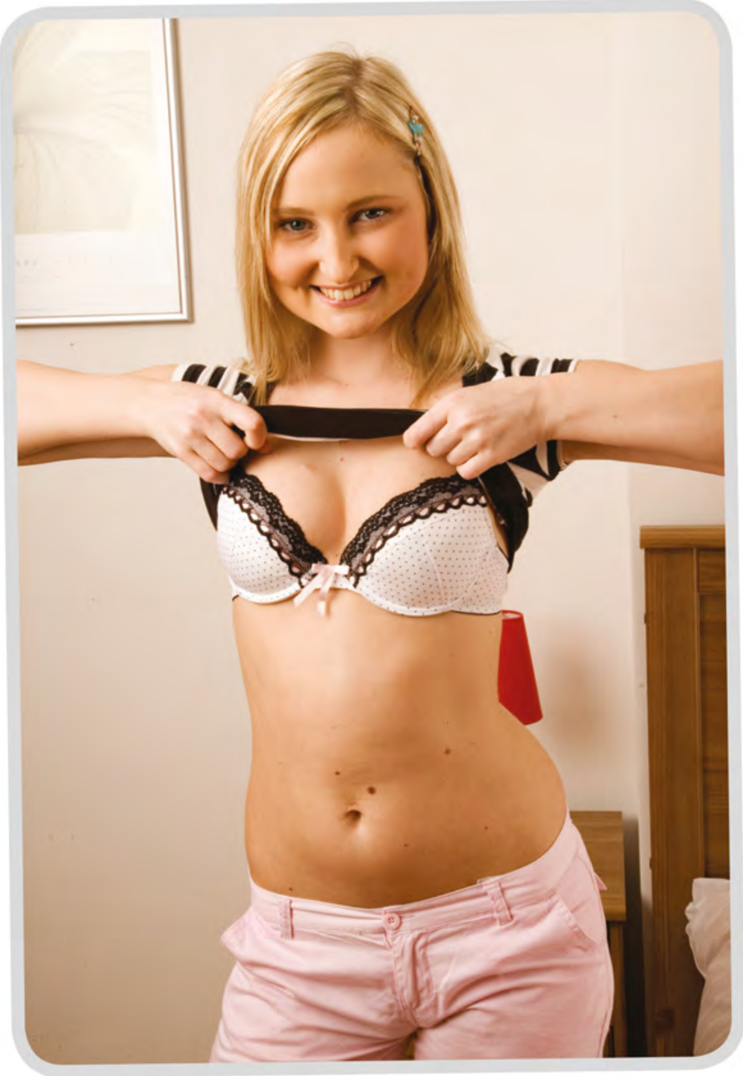
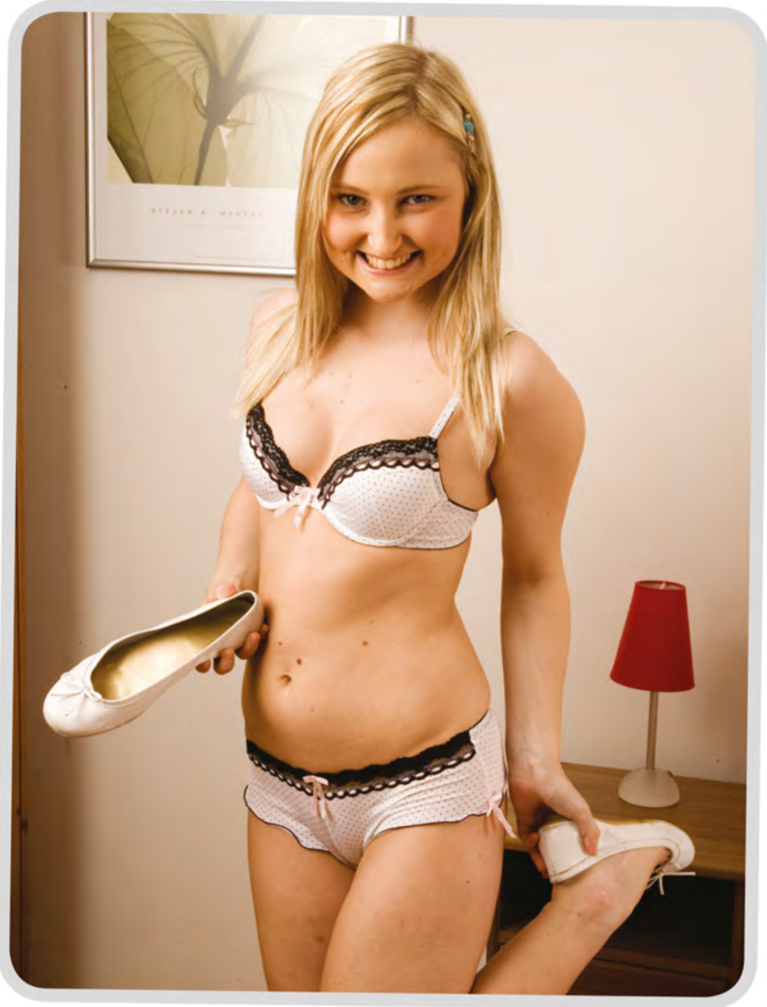
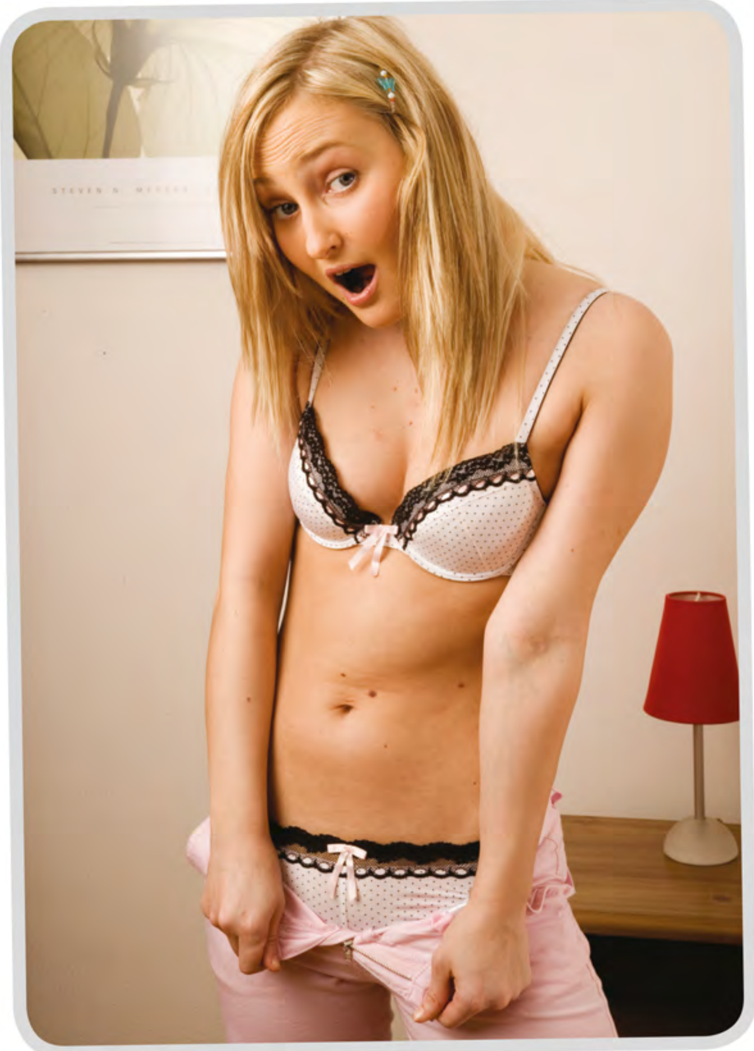
MELISSA







Melissa, what's a cute girl like you doing making a living out of taking her clothes off? "This is going to sound a bit creepy, but my old man has always told me if there's something that you're good at and enjoy doing, why not try and make some money at the same time. So here I am, butt naked with some cash in my pocket!" We think Daddy will regret dishing out that gem of wisdom for the rest of his life!

Mia loves all of the attention that she gets from guys in her local bars. "I've got a bit of a reputation in my local area for fucking around, with girls and boys," Mia told us. "I'm a single girl, which is just how I like it, but I never go home after a night out on my own. My favourite thing to do is to take a couple home with me. I love sitting on a woman's face whilst sucking on her partner's cock."

“I’m just going to come out and say it, I’m not a fan of using dildos and vibrators, but when playing with myself is the only option, I don’t really have any choice but to delve into my bottom drawer. Give me a big fat dick though and I’ll pull my legs over my shoulders and behind my head and invite you to alternate between fucking me in the arse and pussy. And then once you’re done doing that I’ll show you what the true meaning of a filthy fuck is all about!”

MOLLY

Nympho Molly is back in Razzle and she's just as obsessed about sex as the last time we caught up with her! "I'm still getting banged on a regular basis, but there's always room for more shagging in my life," Molly gushed! "I'm still not bothered about cock size, I'm experienced enough to handle any kind of cock and know how to get myself off on it!"

WHERE DO YOU GO TO PULL?

The thing about pulling is that you can do it anywhere. If I see someone I like the look of, I will have a crack at them wherever I am. You would be surprised at some of the places I have pulled – at the bus stop, out shopping and once even at a museum.

Having said that, my favourite place to pull is out on the town like everyone else. Whenever I go out I always dress to kill. I go for any kind of tight top, and never a bra. I like my tits to be packed in nice and tightly so my cleavage bulges and my nipples poke out like rivets. I always wear a short skirt and a lacy G-string. To set it all off I wear knee-length fuck-me boots. Sometimes I go for stockings and suspenders, sometimes I go bare-legged.

When I walk into a room I am always the centre of attention. Dressed like a tart with my long blonde hair and big tits, every pair of eyes in the house checks me out. By the time I have sauntered over to the bar shaking my arse, I know I could have any bloke in the place, and half of the women. I have to admit this is a big turn-on.

Last time I went out clubbing I got a good fuck for my troubles. I was dressed particularly filthily – I had the tiniest of skirts and tops on, with my tits nearly bursting out and my panties almost visible. After a few drinks I was dancing away with about 10 blokes around me. I was really showing off, grinding right down to the floor so they could see my thong up my skirt and jiggling my tits about like a couple of jellies on a washing machine.

As I worked myself up into a lather I decided which bloke I would have. When I was good and ready, I danced over to the guy I'd selected, a tallish bloke with dark hair and nice dark eyes, and thrust myself up against him, grinding my body into his. I could feel his cock was half way to a hardon already, and it felt satisfyingly sizeable. I bulldozed him off the dance floor and up against the wall, shoving my tongue down his throat and my hand down his trousers. He was a bit stunned, but he soon got over it and started to squeeze my arse and push his growing cock against my moistening pussy.

I got my hand round his thick length and tugged him off slowly and teasingly, cupping and fondling his heavy balls every now and then. His hands were roving all over me, rubbing up against my cunt and groping my tits. He slipped his hand up my skirt and inside my panties. Two fingers slid straight up my juicy entrance and I gasped as he entered me. I allowed him to finger me for a while, enjoying the feeling until I was so worked up I'd settle for nothing less than a fuck.

I pulled my fingers away and put them in his mouth, and then mine. Then I whispered in his ear that I was going to take him outside and fuck him. Taking him by the hand, I led him to the exit and we walked out past the smirking bouncers into the fresh night air.

I led him to a seedy back-alley not far from the club. I used to go there to drink my cider as an under-age teenager. I pushed him up against a wall in the half-light of a distant street lamp and started unbuttoning his flies hurriedly. As I did so he undid the ribbon at the back of my top and took it off. It fell to the floor as my large, round tits sprung free with both nipples fully erect.

As I wrestled with his jeans he got his mouth around my nipples, sucking, nibbling and licking them both. I got his jeans around his ankles and he kicked off his shoes so I could get them right off. Now on my knees, I dragged his undergarments off him so he was standing there in the alley in just a shirt, his giant boner casting a shadow across the tarmac. He had really big bollocks and I started on them, licking all round his sack. Then I took one of his balls in my gob and rolled it round my mouth, munching very gently on it and massaging it with my tongue. He loved this, sighing with pleasure and running his fingers through my hair. Then I kissed his shiny helmet and started pulling him of with one hand while I sucked and licked his bell-end. I opened my wet mouth wide and bobbed up and down on his helmet, tickling his frenulum with my tongue and all the while wanking his shaft. After a few minutes of that, I gave him a dozen or so strokes of deep throat, taking his cock down me till my nose touched his stomach. After that he was more than up for a shag.

He picked me up off the floor and got me up against the wall. He yanked my skirt roughly up around my hips. Then he pulled my flimsy knickers round my thighs and

ESSIONS

literally ripped them off from there, tossing them onto the pile of clothes and shoes in the middle of the alley.

He lifted me up and I wrapped my legs around him so I was off the floor. His cock found my sopping cunt hole and he thrust it inside me right up to his balls. I let out a gasp as his cock went up me. It was long and thick and it stretched my leaking hole wide.

He started ramming his dick in and out of me. I urged him to greater efforts by digging my heels into his bum, like some sort of knight spurring on a stallion. I felt an orgasm welling up inside me. I made sure he kept the pace going as my orgasm built up, and I dug my nails into his bare back as my climax finally came. My cunt clamped round his cock as my juices spilled over his shaft and ran down my arse crack.

Quick as a flash he turned me round so my hands were flat against the wall with my arms straight and my arse out, police search style. He worked a finger up my arse, using my cunt juice to lubricate it. Then he got on his knees and started tonguing my arse out. He licked my spasming ring as I squirmed with pleasure. Then he straightened up behind me and the hairs on the back of my neck stood up as he rested his bell-end against my arsehole. Taking a firm hold of my hips, he slowly forced his cock up my arse. I pushed back against him till he was all the way in. If I thought my cunt had been full, it was nothing compared to how my arse felt now. I cried out with pleasure and excitement as he started sliding his cock in and out of my arse.

He fucked my bum hard for a few minutes before announcing he was going to cum. Feeling like a total slut, I told him to cum in my arse. He did as he was told, grunting and burying his cock in my arse as he released wave after wave of warm cum. When we'd finished he stuffed my torn pants in his pocket as a souvenir, and I walked home with cum dribbling out of my arse and down my legs.

I still get horny now when I picture the scene, me and this stranger fucking like a couple of stray dogs down a dirty alley in the early hours. Filth!

Helen, Sunderland

HAVE YOU EVER TASTED PUSSY?

I had my first lesbian experience just over a year ago. A big group of us had gone down to Bournemouth for a week in the summer. We stayed at this campsite and went to the beach every day and on the piss every night.

Anyway, after one boozy night I got back to my tent only to find two of my mates, Mark and Suzie, in there. I bundled in pissed up and jumped on top of them. They were both wedged in the same sleeping bag naked and looking a bit flushed.

"Don't mind me!" I said as I rolled off them. They were dead drunk, too, and they weren't shy so they started kissing again. Mark started to caress Suzie's small, firm tits. I was getting very turned on watching them, illuminated by the powerful striplight on my torch. My pussy was aching for some attention, so I slid a finger between my legs and started bringing myself off as I looked at my friends getting it on.

Then, wanting something more but not knowing quite what, I slowly began unzipping the sleeping bag Mark and Suzie were in. They made no attempt to stop me and they didn't stop on each other either. The zip came all the way down, slowly revealing more and more of Suzie's milky white body as she lay on top of Mark.

Her round bum came into view and I could make out the mound of her shaven pussy between her legs. I zipped the sleeping bag right open and pulled it flat so they were lying on it like a blanket. Suzie was lying on top of Mark with her tits in his face, and he was sucking them noisily. Suzie's soft white skin and firm arse looked so appealing, I couldn't help myself reaching out and stroking her, still playing with my cunt with the other hand. My finger traced all the way down her back and between her arse cheeks till I found her warm, moist pussy. I opened her lips and slid a digit inside her cunt. I'd only ever done this to my own pussy before.

Then Suzie turned her head to me, Mark still sucking her tits, and started snogging me. I shuffled right up against the two of them and started to finger Suzie more vigorously, shoving two fingers up her soaking cunt hole. She was going wild with lust. Then she got off Mark and went down on me. Her wicked tongue did amazing things to my cunt and she soon made me cum while Mark watched and wanked. Suzie licked up my juice and kissed me so I could taste it.

Sensing it was my turn, I went down between Suzie's legs. I kissed all the way down her stomach till I got to her pussy. Tentatively I licked her slit. It tasted sweet and felt sexy. Getting into it, I strained to get my tongue deep in her cunt, and I nibbled her puffy lips. Then I spread her lips and licked all round her clit with my tongue To my delight, I made Suzie cum after a few minutes. Just as I was gulping down her juice, I looked up to see Mark shooting his load in Suzie's face. It was a thoroughly horny experience to lick up her cum and watch her swallow Mark's at the same time.

The next day we got the piss ripped out of us for making such a racket, but that didn't stop us doing it again a couple of nights later – and I've been into girls ever since!

This gorgeous Aussie backpacker clearly hasn't got a very good sense of direction – she ended up at our studio instead of behind a bar in Earl's Court. Or she might just be a horny little Tasmanian devil who wants to "show the English how freaking horny Oz girls are!" Well, we think us Brits could show you a thing or two as well, although frankly, it might not look as pretty as what we're looking at now!
